

Chairman of Astrophilately Commission of the Romanian Philatelic Federation 2014 Report

- Long partnership with ASSS (Astro Space Stamp Society) United Kingdom – by designing the Air Mail Labels used each year by the society.
- A close collaboration with the ASITAF president Umberto Cavallaro on different astrophilatelic projects and exhibitions.

The exhibition WOMEN IN SPACE featuring the female space explorers who have been in space in the last 50 years has been shown in Verano Brianza - Italy from 15 to 30 November.

Woman in space exhibition layout design Alec Bartos

Bartos with Romanian cosmonaut D. Prunariu

- The National philatelic exhibition with international participation AEROMFILA 2014, at it's XXIXth edition is organized by the Local Council of City Sibiu, Philatelic Society from Sibiu, Romanian Philatelic Federation and the Aerophilatelic Commission during 25th – 29th of June 2014 in the Sibiu EXPO City Hall under the patronage of the American Air Mail Society.

The jury of the exhibition met on the 25th - 26th of June 2014 to evaluate the presented exhibits. In Non Competitive Class were presented 7 exhibits, one of these in Honour Class.

AEROMFILA 2014 is a competitive exhibition and takes place according to the Statutes of the International Philatelic Federation (F.I.P.), on aerophilatelic, astrophilatelic and other philatelic subjects, as well as to AEROMFILA 2014 Regulations.

(form the jury's report):
